JAPC11 Grammatik 1 Tentamen
Question and Answer sheet

Grammatik Lärare Natsumi Goto
Studenter får INTE ta med sig testet ut ur tentasalen.

Instruction:

- Write down all the answers on this Question-and-answer sheet.
- Write your answer in English for essay questions (if applicable in Japanese)
- Write your answers clearly so other people can understand them.
- Make sure you write down your answers in the right places on the answer sheet. A written answer to the wrong place on the answer sheet will not be considered a valid answer.
- 0.5 points will be taken away for one error in Hiragana, Kanji, and Katakana including writing conventions.
- You are not allowed to use any helping material (*inga hjälpmedel*).
- It is strongly recommended to read through all the questions before answering any question. If you have any questions, ask your instructor when they visit the exam hall.
- The threshold for *Godkännd*: 60 of 100 points.
- The instructor will visit the exam venue about one hour later of the exam starting time.

1. Writing system (30 points)

1.1. Explain why there are two readings in some of the Kanji. (8 points)

- Provide one Kanji example
- Mention the name of two readings
- (roughly 4-5 sentences)
